

Responsible Gambling Notice

September, 2023

TVBET is a responsible B2B provider, fully dedicated to Social Responsibility. Together with our partners we are committed to the safety of all risk groups and vulnerable people, especially minors and those unauthorised to gamble.

Please, be acknowledged, that it is forbidden to gamble for individuals under 18 years.

TVBET considers that gambling needs to be enjoyed in a responsible manner so we do our best to ensure a safe experience.

Player support is handled directly by the Operator B2C you have enrolled with. For further information and access to help and support, please check their Responsible Gambling pages and information links.

TVBET RECOMMENDS PLAYERS TO:

Set account limits to control your gambling. With your Online Operator, you can set limits for your account. There are tools you can use to keep control of your game play: such as self-exclusion, self-assessments, time limits, deposit limits.

Keep track of the time spent gambling. When online or in person, consider setting an alarm to remind you when to stop.

Monitor how much you are spending.

Avoid having multiple accounts as this makes it much harder to manage what you spend.

Self awareness: We recommend that you seek help if at any point you feel like you're getting carried away.
